## *Fifteen (15) Hour Gambling Addiction Workshop*

This intensive fifteen (15) hour workshop is for Licensed Addiction Counselors (LAC) and LAC candidates who need the Gambling and Gaming Addiction Assessment and Treatment for the new 2017 LAC licensing requirements. This workshop covers neurology, biochemistry and behavioral components of gambling and gaming addiction in teens, adults, males and females. At its core is both Assessment and Treatment strategies. The workshop content is relevant to all development of addiction and treatment approaches. A written response will be required from all students.

Taught by Pete Bruno who has recently completed a graduate level certificate in 2016 and has counseled a variety of addictive behaviors in Montana since 1973, including at the inpatient multi-addictions facility at Galen Hospital. Pete Bruno provides a wide range of information for counselors wanting or needing to add this component to their skill set.
